RENGA TRADING & MANUFACTURING (M) SDN BHD

ABOUT US

Right from its beginning till today, RENGAS has been in the business for over 25 years since 1993. At present, the factory is located in Johor, Senai Industrial Area and has branches in Kuala Lumpur, Kedah and Penang. The company has accumulated experiences that lead to innovation from traditional method to modern method of automated production by machinery. Ancient traditions in a modern world, RENGAS has established a reputation for its efficient distribution and quality product. Furthermore, the company is

registered under Federation of Malaysian Manufacturers (FFM), Ministry of International Trade and Industry (MITI), Ministry of Domestic Trade, Co-operatives and Consumerism (KPDNKK), Malaysia External Trade Development Corporation (MATRADE), International Halal Integrity Alliance (IHIA).

In order to continue meeting our customer's expectation, we developed new range of products like fragranced incense sticks, different types of flours and food products as well as prayer items.

VISION

Our products must reach all true loyal customers to upgrade their lifestyle towards a branded quality of living.

MISSION

We aim to manufacture selective quality products that satisfy customers' need and sustainable values by offering a full range of Certified & Registered provisions & food products in the Economic Production Chain.

OBJECTIVE

We are committed to deliver sustainable excellence in business performance by focusing on the following areas:

1. Meet our customers' requirements
2. Realize the potential of our customers
3. Deliver continuous improved product quality
4. Sales volume growth
5. Profit maximization
6. Increased productivity
7. Strengthening financial resources
8. Enhanced customer satisfaction

THE SYMBOL OF GUARANTEE

The Symbol of Guarantee marks the reliability which the Company offers to all the potential and loyal customers.

The Symbolic Letter “R” in the circle symbolizes The Six Dimensions of Quality administered and strictly observed by the Management Team of this Company.

- ☞ Reliability
- ☞ Productivity
- ☞ Sustainability
- ☞ Durability
- ☞ Conformity
- ☞ Serviceability

SPGMP means STANDARD PROCEDURE & GUIDED MANUFACTURING PRACTICE. We have implemented Standard Procedure & Guided Management Practice to sustain high level of production capacity to manufacture quality products that are suitable for the existing market and the new markets.
